## AN EXPRESSION OF APPRECIATION

---

The Eastern National Livestock Show is pleased to announce that the premiums offered for the 1966 Show are over \$50,000.00. The grand cooperation of the Maryland State Fair Board makes this possible. This year the Fair Board has awarded \$26,055.00 for Fall Show and \$2,022.00 for the 1967 Spring Hog Show. The State Fair Board composed of Frank D. Brown, Jr., Chairman, Port Deposit; Fred C. Ernst, Vice-Chairman, Clear Spring; Richard N. Wills, Secretary, McDonogh; Albert J. Bailey, Hebron; John M. Crum, Frederick; E. Richard Hough, Sr.; W. Lawson King, Gaithersburg; Harry H. Rieck, Preston; Earl C. Robertson, Cumberland; R. Nelson Phelps, Executive Secretary, Timonium, has been very generous.

In addition to the Fair Board the Eastern National Livestock Show is very appreciative of the support of the various beef cattle, swine and sheep breed associations and individuals and organizations who have supported this activity.

Your Directors are continually striving for improvement. We sincerely hope you will enjoy the 20th Eastern National.

# The Eastern National

---

The Eastern National Livestock Show, fourth largest livestock event in the nation, actually had its beginnings 38 years ago. In 1928, a handful of forward-thinking citizens, most of them cattle raisers or meat packers, organized the Baltimore Livestock Show and held their first exhibition at the Baltimore Union Stock Yards.

In the first year, nearly 2,000 head of livestock were shown and later auctioned off for \$247,000. A new world's record of 50 cents a pound for the grand champion load of fat cattle was achieved in that year. . . . It has been exceeded many times since then.

The Baltimore Livestock Show continued at the Baltimore Union Stock Yards through 1946. The next step was taken in 1947.

Limited because of the facilities at the stock yards, the show group decided to make a move to the more spacious Maryland State Fair Grounds, where the huge barns, judging pavilions, restaurant facilities, sale rings and grazing fields offered the finest facilities to exhibitors. The name also was changed to the Eastern National . . . indicative of the show's expansion to something more than a local or area exposition.

Throughout the years, the objective of the show has been quality. This emphasis has apparently proved successful because the Eastern National has become the largest and finest livestock show in the East. Paralleled with this advance has been the rise in Baltimore's position in the livestock shipping and meat packing industry to eighteenth in the nation and second in Maryland industry.

Then, too, the Eastern National also stresses the importance of young livestock breeders. Such emphasis has resulted in the show becoming the culmination of all 4-H and F.F.A. livestock endeavors in Maryland and many adjoining states.

Over 200 4-H/F.F.A. members will be exhibiting 400 head of beef, sheep and swine projects at this year's show.

The Eastern National contributes to the strong trend toward a livestock economy in the territory it serves. It provides a medium of stimulus to the greater production of meat for Eastern consumers and also provides a special stimulus to the improvement in the quality of animals. It is one of the twelve regional shows of the country as recognized by the various Breed associations, and is the only regional show located in the East.

The Eastern National is supported almost entirely by memberships . . . by breeders, cattle feeders, the meat packing industry, marketing agencies, businesses, and interested organizations.

## **H E R E F O R D S ARE THE BASE BREED OF THE 70% OF AMERICAN BEEF CATTLE THAT ARE RED.**

**The great Hereford bloodstrains produce  
the strongest, the best doing, and the most  
economical to feed of American Beef Cattle.**

The Polled Hereford Branch of the Hereford family has made the unexcelled record of increasing their sales 20% during each of the last 3 years, which we do not believe any other American livestock breed or any national manufactured product has been able to do.

The Maryland Hereford Association at its Annual June meeting voted to hold Spring and Fall consignment sales to which breeders desiring additional top producing cattle can look for profitable herd increasing animals and to which Hereford breeders of the Maryland region can look as a regular opportunity to market their better cattle.

The 1966 Fall Sale is scheduled for the Frederick Fair Grounds Saturday, December 17, starting at 11 A. M. preceded by a show as a part of the sale will include fitted show animals with the remainder of the sale well fed but not highly fitted breeding herd replacements and top replacement calves.

John Phillips, 1345 Frisbee Drive, Columbus, Ohio 43224, is Sales Manager; and Col. A. W. Hamilton will call the sale. The Sale Committee is N. B. Merryman, Chairman; J. A. Watson, Jr., Co-chairman; A. Leland Clark, David K. Cushwa, Jr., and E. Brooke Lee as members.

The Directors of the Maryland Hereford Association are: A. Leland Clark, Poolesville, Md.; E. Brooke Lee, Damascus, Md.; Miss Agnes Tilghman, Easton, Md.; J. A. Watson, Jr., Prince Frederick, Md.; Benjamin Parran, St. Leonard, Md.; S. L. St. Clair, Monrovia, Md.; James C. Linthicum, Dayton, Md.; A. B. Shipley, Sykesville, Md.; J. Spence Howard, St. Mary's City, Md.; Fred J. Archibald, New Market, Md.; N. B. Merryman, Cockeysville, Md.; David K. Cushwa, Jr., Williamsport, Md.

The 1966 Officers are: President—Mrs. E. Brooke Lee, Damascus, Md.; Vice President—A. Leland Clark; Secretary—J. A. Watson, Jr.; Treasurer—Fred J. Archibald, New Market, Maryland.

## **Specialist**

This critter is a specialist. You don't expect it to fatten out as beef or to grow wool! There is no such thing as an "all-purpose" animal . . . and more than there is an "all-purpose" nutritional supplement.

Young's VIT-Y-MIN pre-mixes and supplements are specialists, too. We formulate a dozen of them . . . each specifically balanced to meet the individual nutritional needs of each type of livestock. Each offers the highest mineral and vitamin values for your dollar.

Ask us or your Young's representative for details on the specialized VIT-Y-MIN products.

## William F. Schluderberg Memorial Classes For Novices

(Open to Maryland 4-H Club or F.F.A. members exhibiting for the first or second time at The Eastern National Livestock Show, Inc.)

We are pleased to announce the continuation of the William F. Schluderberg Memorial Classes for Novices at the Eastern National Livestock Show as a memorial to the late William F. Schluderberg who was President of our company and Vice President of the Eastern National.

Mr. Schluderberg, or "Mr. Will," as he was affectionately known, was a leader in promoting the interests of the Livestock and Agricultural Industries and was always very enthusiastic in his support of 4-H and F.F.A. Club work.

Because we feel that his efforts and support have contributed in a large measure to the growth and development of this project work in this area, this memorial is established to perpetuate his memory and to continue to encourage the 4-H and F.F.A. boys and girls to greater achievement.

NOTES

## E. BROOKE LEE believes:

That he is very fortunate to have been able to register the largest number of Polled Hereford calves for each of the last two years, because it is particularly important to produce the right kind of calves at the right time—which means Polled Herefords in 1966 and the following years.

. . . both because the American Polled Hereford Association confirms that Polled Herefords have increased their sales 20% for each of the last three years and are now the fastest growing of the major American beef breeds.

. . . and because market cattle prices are holding up due to the supporting facts that the population of the United States is increasing faster than the nation's beef cattle population and because American families have more money to spend per family in 1966 than ever before, which is the strongest possible support for beef, the most popular of all foods.

That we are right—here at Damascus in upland Maryland, where grass, corn and barley grow strongly—to be producing linebred young Polled Hereford breeding cattle from six of the most popular and strongest selling bloodlines.

CHOICE DOMINOS from ALF Choice Domino 6 and his great son SV Beau Perfection.

PAWNEE MIXERS from four good sons of BPF Pawnee Mixer, grandsire of the show string of the premier exhibitor and great-grandsire of the show string of the premier breeder at the 1965 National.

CMR breeding through CMR Super Domino 72 and CMR Super Lamp (owned jointly with CMR), both great proven herd sires; CMR Rollotrend 112 and CMR Rollotrend 85; CMR Superol 96; CMR S Adv Domino 13; plus five other strong CMR-bred bulls and 220 CMR-bred cows.

LAMPLIGHTERS, mostly from Polled Modest Lamp 2 (the greatest foundation Lamplighter sire), including his descendant BB Modest Lamp C7 and Carnation's CPH Woodrow 48 and CPH Woodrow 54, both out of daughters of Jr. Modest Lamp 4.

VICTOR DOMINOS from Gay Hills Victor and Victor Domino 126.

DOMESTIC MISCHIEFS, mostly from Domestic Mischief 6.

Our heifers are doing well for over 140 other breeders, and we believe you would find them useful.

April and November production sales here at the farm November 12, 1966; April 8, 1967; and November 11, 1967, of young breeding cattle—well fed but not highly fitted. Young cattle available for private treaty sale.
